The State Project Steering Committee (SPSC) will:

- Provide overall guidance to the State Project Management Unit (SPMU) in project execution. It will also have the responsibility for endorsing the State Annual Work Plan and Budget (S-AWP/B) and the State Annual Project Report (S-APR) from the previous year's technical activities.
- Ensure all project outputs are as outlined in GEF approved Project Document.
- Ensure synergy in project implementation between various government departments, donors, private sector interventions, and project stakeholders;
- Review, amend if appropriate, and approve the draft State Annual Work Plan and Budget of the project for submission to NPMU and FAO; and
- Facilitate the "mainstreaming" of relevant project findings and recommendations into state policies, plans and strategies.
- Appraise the project on any proposed government plans, policies, investments that might be relevant to the project and facilitate sharing of relevant good practices from other parts of the State.
- Meet at least twice a year (or more as decided by the Committee)
- Support preparation of management responses' for independent midterm review and final evaluation of the project. Facilitate coordination and linkages of project activities with the national level work and sharing / learning with other states involved in this project.
- The State Project Steering Committee will be responsible for providing oversight to the project at the State Level and will ensure that all inputs and processes for the implementation of the project activities agreed upon under the GEF-7 project. SPSC will facilitate inter-sectoral coordination and ensure the mobilization of co-finance and support any conflict resolution as necessary. This Committee will also provides to overall guidance to the State Project Management Unit (SPMU) in project implementation and facilitate mainstreaming of relevant project findings and recommendation into State Policy.
- The SPSC will be responsible for providing oversight to the Project at the state-level and will ensure that all inputs and processes required for the implementation of project activities agreed upon under the GEF project document are adequately prepared and carried out. The SPSC will facilitate inter-sectoral coordination, ensure the mobilization of co-finance, and support any conflict resolution as necessary. This committee will provide overall guidance to the State Project Management Unit (SPMU) in project implementation; and facilitate mainstreaming of relevant project findings and recommendations into state policy.
- The SPSC members will include 10 to 12 members of the rank of Secretary, who will (i) provide support to project activities relevant to their departments, (ii) ensure two-way exchange of information and knowledge between their department/agency and the project, (iii) facilitate coordination and links between the project activities and the work plan of their department, (iv) facilitate better coordination across Departments and Ministries, and (v) facilitate the provision of co-financing to the project.
- It was decided that the State Project Management Unit will act as Secretariat to the SPSC and will be responsible for logistical arrangements related to the holding of such meetings, circulating the meeting agenda and sharing final meeting minutes.

DR. RAJA SEKHAR VUNDRU,
Additional Chief Secretary to Government, Haryana,
Agriculture & Farmers Welfare Department.
